

Ashington Festival Committee needs your help on Festival day this year on the 18th of August, even if it is only for one hour. It also needs help to plan and organise the event throughout the year. If the village works together, there will not be so much pressure on only a few individuals.

COULD YOU SPARE A LITTLE TIME? EVEN IF IT RAINS? AS WE REALLY NEED HELP TO:

- Help put tables and chairs and barriers out Saturday morning 8.30am - 10am.
- Help by being a marshal on the rec or roadside during the carnival procession 1pm – 2.30pm (Rec 9am-2.30pm)
- Help with the carnival procession at –12.00pm – 2.30pm
- Help hand out programmes before or with the carnival procession. 1pm - 2.30pm
- Help with a bucket collection with the carnival procession
- Help put out more tables & chairs 6pm - 7pm
- Sell raffle tickets for the evening anytime from 5pm
- Sell raffle tickets for the 'Barrow of Booze' during the afternoon & evening. (1 hour with partner)
- Help put tables and chairs in the buildings at the end of the day 10.45pm - 11.30pm
- Help clear up Sunday morning –9.00am (Men & Women)
- Have you a lorry or pickup and driver that someone could use for a Carnival float
- Make some cakes for the cake stall?
- Or would you like to help us organise the day?
- Have you a business and would you be interested in sponsoring an event on the day?
- Have you a business and would you like an advert in our programme? Adverts must be with us by 1st July.

If you are interested in getting involved in any part of Ashington Festival and would be willing to help in any way possible we would be glad to hear from you.

Please either fill in your details on the next page and pop it through the door of Margaret at 19 The Sands Ashington or give her a call on 01903 892633 to ask any questions and to discuss further.

You could also e-mail Margaret, and I am sure she will be happy to contact you: margaretalford19@btinternet.com
